Re: Bid Award Recommendation for LMIG 2013 Roadway Resurfacing Project

Dear Mr. Moon:

Three bids were received for the referenced project on July 18, 2013. Below is a summary of the bid results.

Bidder	Bid Total
Robinson Paving Company	$ 322,484.70
C.W. Matthews Contracting Co., Inc.	$ 354,196.98
Allied Paving Contractors, Inc.	$ 363,450.75

The Bidder submitting the apparent lowest responsible bid is Robinson Paving Company located in Columbus, GA. We evaluated the unit prices contained their Bid and found them to be consistent with current market prices for similar work. However the total Bid amount of $322,484.70 is well over the project budget of approximately $150,000.

While all the streets identified in the Bid Documents cannot be resurfaced under this project, we have evaluated the priority areas and their associated costs in an effort to develop a scope of work that will provide the City with the best value. The streets determined to be the top priority are 3rd Avenue and O.G. Skinner due to traffic volumes as well as areas that pose a risk to public safety and vehicle damage.

The Bid was broken out by street and the total to patch, level and overlay 3rd Avenue from 10th Street to the 15th Street as desired is over the project budget on its own. Therefore we contacted Robinson Paving Company and developed a value engineered scope of work for the budget that will address the areas of safety concern on the two priority streets, provide necessary maintenance patches and some overlay.

Below is a summary of the work that we recommend performing with the allocated budget.

1. Remove and replace pavement with significant failure on 3rd Avenue from 10th Street to 15th Street. (Patch w/ 4" of 19mm Binder)
2. Overlay 3rd Avenue from 10th Street to previously paved section at 12th Street and re-stripe with traffic paint. (Overlay thickness to be 9.5mm placed at 1¼" thick)
3. Remove and replace pavement with most severe failures on O.G. Skinner from SR 29 to Park Lane. (Patch w/ 4" of 19mm Binder)

Rochester & Associates, Inc.

Attached is a breakdown of the quantities and prices required to perform this work for your review.

It is our opinion that this will provide the best long term value for the City. Overlaying the pavement areas that have failed due to sub-grade issues will not address the problem and this overlay will soon show reflective cracking and fail itself. Performing the necessary maintenance patching on these areas identified will address the problem areas and provide a stronger base that could be overlaid next year when more funding may be available. The recommended work will also provide a new surface course for the block that is located nearest the downtown corridor.

We appreciate the opportunity to assist the City of West Point with this project. Please let me know if you have any questions concerns.

Sincerely,

Jeff Collins

Jeff Collins, P.E.

January 1, 2014	Budget becomes effective

* Public engagement enhances the Government's effectiveness and improves the quality of its decisions. Knowledge is widely dispersed in society, and public officials benefit from having access to that dispersed knowledge. The city will offer citizens opportunities to participate in policymaking and to provide their Government with the benefits of their collective expertise and information. The city will solicit public input on how we can increase and improve opportunities for public participation in Government.

**The budget calendar is prepared by the City Manager and may be amended by the City Council at any time during the budget process.

AN ORDINANCE

An ordinance to amend Chapter Twenty, Article One, of the Code of Ordinances of the City of West Point, Georgia.

Be it ordained by the Mayor and Aldermen of the City of West Point that Chapter Twenty, Article One be amended by inserting the following Section:

Parking shall be restricted at certain times, where;

(a) No person shall park any vehicle between the hours of 9:00 A.M. and 5:00 P.M. of Monday through Saturday of any week on or upon those portions of the streets and alleys of the City Of West Point designated in subsection (b) hereof except a patron as such terms are defined in subsection (c) hereof.

(b) Designated areas:

3rd Avenue on both sides thereof from West 7th Street to West 9th Street;

West 8th Street on both sides thereof from 3rd Avenue to 4th Avenue;

4th Avenue on both sides from West 8th Street to the City Limits.

(c) For purposes of this section "patron" shall mean an individual who is a customer, patron or client of a business, service, enterprise or profession which is located within a building which is adjacent to any of the streets or alleys designated in subsection (b) hereof and is then engaged in the act of being a customer, patron or client of such business, service, enterprise or profession or in the act of transiting between such vehicle and the location of any such business, service, enterprise or procession.

(d) Upon conviction of violation of this section or the entry of either a plea of guilty or a plea of nolo contendere to a violation of this section, a fine of not less than twenty-five dollars ($25.00) for each such violation shall be imposed in addition to any and all other penalties, fines and punishments as shall be imposed in connection with any and all other violations.

(e) The restrictions, limitations and prohibitions contained herein are in addition to all other restrictions, limitations and prohibitions that shall exist from time to time relative to parking of vehicle upon the street and alleys designated in subsection (b) hereof.

All ordinances or parts of ordinances in conflict with this ordinance are hereby repealed.

This ordinance shall become effective on April 1, 2001.

Ordained this 12th day of March, 2001, by the Mayor and Aldermen of the City of West Point, Georgia.

Re: Request to continue service at E. 10th Street location

Dear Sammy,

On behalf of CB&T, I would like to request that the zoning variance be continued at the location above for a new tenant that will be leasing the building. CB&T operated in that location for five years and was forced to make a tough business decision to close that location in 2012.

We have recently entered into a lease agreement with a healthcare provider that will not only occupy that space, but will also bring new economic activity to that market. As a healthcare provider that will make small capital improvements to the building, converting some of the lobby space into clinical offices for the doctors, staff and patients that will be treated there.

Please accept this letter as our request to grant this continuance. If the City of West Point needs further information on this matter, please feel free to give me a call at 706-880-2212.

Thanks,
